## MERRY CHRISTMAS AND A HAPPY HEALTHY NEW YEAR!

With 2008 fast closing I would say we had a very successful six months. The speakers were enlightening and the classes very informative and well attended. January brings Zena Thorpe "A Look at History Through the Eye of a Needle" and workshop "Floral Initial".

Also in January we look forward to "Road to California", January 15th - 18th. The Quilters Cottage will have a bus trip Saturday, January 17th. See Quilter's Cottage for details and reservations.

I found the following in a quilt newsletter and thought you would enjoy it.

### TOP TEN REASONS FOR BUYING FABRIC

1. It keeps without refrigeration and you don't have to cook it to enjoy it.
2. Because it's on sale.
3. It's less expensive and more fun than psychiatric care.
4. It helps keep the economy going. It's our patriot duty to support cotton farmers, textile mills and fabric stores.
5. It insulates the closet where it is kept.
6. You never have to feed it, change it, wipe its nose or walk it.
7. It provides extra weight in the trunk of the car on snowy, icy roads. This is important even in Southern CA when you never know when the weather will change.
8. Because you are worth it.
9. It's not immoral, illegal or fattening.
10. Like dust, it's good for protecting previously empty spaces in the house like the ironing board, the laundry hamper or the dining room table.

Thank you, Hospitality Committee Chairperson, Anita Bruce and her committee and Elvia for the lovely potluck evening. The table decorations were outstanding and the singing by the Madrigals thoroughly enjoyable.

Again, no matter where you are or go, have a GREAT HOLIDAY! Stay Safe and Healthy.
