Fallbrook Quilt Guild Newsletter

November - 2019

PRESIDENT'S MESSAGE

Hi Everyone,

How can it already be November? This year seems to be flying by. There are such exciting things on the horizon for our guild.

We have welcomed quite a few new members to our guild recently. Please reach out and say hello to these ladies, it's great to meet some new people.

Our amazing Quilt Show is nearly here and I'm so excited to see what you all have made. It may be our best show yet! There are lots of ways to contribute during the quilt show and many committees that would love to have a helping hand from our members. Please see a committee chair and sign up for something fun. It's a great way to get to know our terrific quilt guild friends.

Happy Fall and good quilting to one and all!

Sylvia Williams

January Quilts of Love Workshop—————*Dixie Johns*

At the September guild meeting, we were presented with the plan for our January charity quilt making workshop. At our October and December meetings, members will have the opportunity to bring fabric rectangles cut **2-1/2" to 3-1/2" wide and 7 1/2' long**. Perhaps you have scraps from projects on which you are presently working or fabric in your stash that you'd like to see turned into a quilt of love.

Here is an example of how they will be put together.

OPPORTUNITY FOR FREE ADMISSION!

Wondering "what's next?" after the excitement of our quilt show and the pleasures of winter holidays? The answer is Road to California, being held at the Ontario CA Convention Center from January 23 to 26. If you've never been, it's a nearly straight shot north on I-15 for 68 miles and the show, the vendors, the classes are phenomenal!

We will be selling tickets for our fabulous "opportunity," that is, raffle, quilt on Saturday, the 25th, and could use your help for 2 hours in exchange for free admission to the show. **Remember that our objective is to raise funds to pay for the speakers and workshops that we present to our guild's members, and selling tickets is our main fundraising activity. every year.**

You can help for 2 hours on Saturday by manning our booth and selling tickets to passers-by

OR

You can help for 2 hours any day from Thursday through Sunday by donning a pair of white cotton gloves (will be provided) and sitting next to a designated show quilt to explain its "story" or to handle it if viewers want to see its details.

Let me know soon which of these tasks you will perform!

Ideas were given to facilitate shorter quilt meetings.

The meeting concluded with a discussion about allowing members to sell their quilts at the show. The board felt that there was not enough time to adequately research all of the pros and cons.

This is something that can be explored for the 2021 Quilt Show.
